Fall Sports Tryout Information

Each student athlete **MUST** have a physical on file with the **school nurse** (Coaches cannot accept Physicals) prior to the start of tryouts (**No Exceptions, please feel free to bring them in before the first day of school so our nurse can get them reviewed and entered at her leisure**). Physical should last entire length of season to be eligible to tryout (If physical is only good into September, should get one that will last through November for Fall Season). In order to avoid conflicts during the school year, all students interested in participating in the Hawthorn Athletic Programs are **strongly** encouraged to have their sports physical completed over the summer (This cycle for physicals will be beneficial through high school). Practices are everyday after school throughout the entire season. Some weekend events may be scheduled as well.
